COMPLIANCE AND MONITORING

QUARTERLY REPORT

FOR THE PERIOD OF _____ THROUGH _____

LICENSEE OF RECORD: _____

CORPORATE AFFILIATION: _____

LICENSED SYSTEM(S) OF RECORD: _____

1. System Anomalies (including both space and ground segment)

	YES	NO
Have there been any anomalies or events which caused the licensed system to operate outside of its licensed operating conditions during this reporting period? If yes, please provide date, description, what corrective actions were performed, and whether the system has been returned to its licensed baseline status.		

2. Appendix 2 - Operational and Technical Information

	YES	NO
Have there been substantial changes to the launch segment information which have not been previously reviewed and approved by NOAA? *		
At any time during this quarter have you activated a 24-hour delay waiver? *		
Have there been any significant changes in the operational and/or technical information of which NOAA has not previously received notification? * Please review Appendix 2 of your License(s) to verify that the information contained therein is complete, true and accurate.		

* If yes, please explain in full detail on attached page.

1. Identify all current and operational remote ground station(s) within the system(s) configuration.

2. Identify all proposed remote ground station(s) to be active within the next 12 months

3. Appendix 3 - Corporate Information

	YES	NO
Have there been any significant changes to the holder of the license or in the corporate structure, board membership, ownership of the Licensee, additions of affiliates or subsidiaries, corporate mergers, acquisitions or takeovers, or other corporate actions that have not been brought to NOAA's attention through formal notification; or if applicable, reviewed and approved by NOAA? Please review Appendix 3 of your License(s) to verify that the information contained therein is complete, true and accurate. If yes please provide a revised Appendix 3		
Are there any other factors which were not explicitly mentioned in the section above that could result in a finding that the Licensee and/or the individuals identified above present a risk to the national security of the United States? *		
Has your organization experienced any breach in your physical security? *		
Has your organization experienced any breach in your Information Technology (IT) systems? *		
Has any imagery of the State of Israel been disseminated with a Ground Sample Distance of better than 2.0 meters? *		
Please provide a list of not previously reported foreign agreements and dates of expiration. *		
On an attached separate page please indicate any other changes that may have taken place that has not already been reported above.		

* If yes, please explain in full detail on attached page.

I,_____(Insert Full Legal Name), as an authorized representative of_____(Insert Full company / Licensee Name), hereby represent and warrant that the verbal and/or written representations made by me are, to the best of my knowledge, true, complete, and accurate, and that the representations made herein are made in good faith. I understand that a knowing and willful false statement, either verbal or written, can be punished by fine, imprisonment, or both. (See Section 1001 of Title 18 of the United States Code).

_____ _____/_____/_____
[Corporate Officer Signature] [Date]

Note: This report must be postmarked no later than 10 days following the end of the each quarter (90 day intervals). Late reports and/or failure to update your license information may result in penalties for non-compliance being levied, pursuant to Section 203(a)(3) of Public Law 102-555, as well as suspension and/or termination of the License.
