

Roses are red
Some daisies are pale
Satellites see the world
In vivid detail

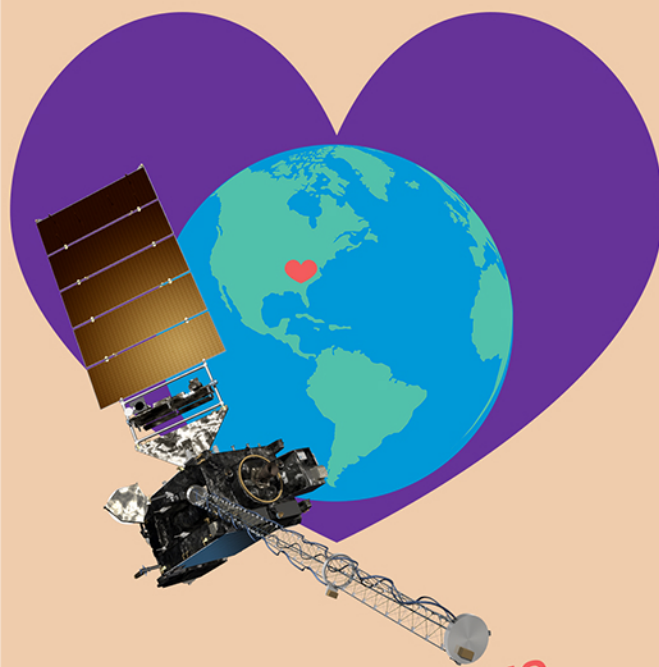

My love is
geosynchronous
with you

I NOAA that
I love you!

With love from NESDIS,
GeoXOXO

NOAA's National Environmental
Satellite, Data, and Information
Service (NESDIS) provides secure
and timely access to global
environmental data and information
from satellites and other sources to
promote and protect the Nation's
security, environment, economy, and
quality of life.
